Description

Unit 28, Harpur Hill Industrial Estate comprises a substantial 17,698 sq ft steel portal frame industrial facility situated on a self-contained and securely fenced site extending to approximately 1.4 acres. The property has been constructed to a modern specification, offering highly functional accommodation for a wide range of industrial, manufacturing, or distribution occupiers. The unit incorporates a fitted ground floor canteen and first floor office accommodation, providing a well-balanced mix of operational and administrative space. The property benefits from 3-phase electricity and is serviced by two full-height roller shutter access doors at either end of the unit, facilitating efficient loading and circulation. Externally, the unit is further enhanced by a large dedicated yard area, offering excellent HGV access, manoeuvring capability, and external storage.

Location

Situated within Harpur Hill Business Park, one of Buxton’s key industrial locations, Unit 28 Harpur Hill benefits from strong regional and national connectivity. The A515 and A6 provide direct routes to major cities, while the M1 and M6 motorways are within easy reach, ensuring efficient distribution links across the UK.

Buxton is a thriving market town with a skilled workforce and well-developed infrastructure. Buxton railway station offers regular services to Manchester and beyond, further enhancing accessibility for staff and clients. The property’s strategic position within the Peak District makes it an ideal base for industrial and logistics operations.

Accommodation

The accommodation comprises the following areas: (The property can be split from 5,000 sq ft upwards)

Name	sq ft	sq m	Availability
Ground	15,920	1,479.02	Available
