We have recently opened a Clinic (Concepto Clinic) in BizSpace in Milton Keynes. It is a great place to work with excellent facilities, a communal seating area, boardrooms, plenty of parking for customers. The place is maintained very well, clean and tidy.... Setting up a new business is very stressful but the excellent team made it easy and welcoming. The centre manager and receptionist are very accommodating, helpful, and friendly. They always go the extra mile to help to keep the place running smoothly and make us feel very comfortable in the new place.

I highly recommend the space.

-We recently opened up another branch for our Consultants company into Bizspace Milton Keynes having already occupied two offices with the same company in Nottingham. The staff (MK) have been nothing but accommodating and more than helpful with the move and beyond. I would have no hesitation in recommending Bizspace to absolutely anyone looking for office space. A real class act.

Having recently moved to the Milton Keynes office I felt the need to write a review of what a great experience both the move and the ongoing support this serviced office offers! The staff were on hand during the whole transition and have been a constant support for all of our needs making the working environment both pleasurable and efficient. I couldn't recommend them any higher!
