# About Pacific Research Center

This unique multi-tenant research campus consists of ten buildings, comprising 1.4 million square feet of space ideal for life sciences, office, high tech, and data center users.

Located immediately off of Highway 84 and the Dumbarton Bridge, and a short distance from Palo Alto, Stanford University and the greater Silicon Valley region to the west.

Offers excellent freeway visibility and presents tenants a secure and prominent corporate presence.

# Velocity Labs

## Flexible, move-in ready lab and office space built for groundbreaking research

Pacific Research Center is now offering flexible, move-in ready lab and office space built for groundbreaking research.

BioMed Realty has developed move-in ready lab and office space at a premier selection of our Class A properties located in major life science ecosystems across the US and UK. With our vertically integrated platform that provides unmatched expertise and world-class quality, the Velocity Labs infrastructure and technology allow biotech innovators to execute mission-critical research and scale as needed, all while reducing expenditures.

BY BIOMED REALTY

## WHAT MAKES BIOMED REALTY VELOCITY LABS UNIQUE?

### FASTER TIME-TO-MARKET

Our move-in ready lab spaces creates a launchpad for our tenants, allowing them to conduct research effectively and efficiently, from day one.

### SPECIALIZED & PURPOSE-BUILT

Our spaces are not just lab-capable, but lab-specialized – move-in ready and purpose-built down to the detailed industry requirements for plumbing, power, ventilation and more.

### FLEXIBILITY & SCALABILITY

Our offering provides tenants with flexible layouts and frictionless upscaling opportunities across BioMed's entire portfolio – 16+ million square feet in leading innovation markets in the US and UK.

### CAPITAL SAVINGS

We offer our tenants optimal pricing structures to increase capital efficiency, enabling more effective resource allocation toward their science and research.

### WORLD-CLASS QUALITY

Velocity Labs are embedded within BioMed's Class A properties, giving companies of all sizes the advantages of world-class infrastructure and amenities specifically designed for the biotech industry's biggest names.

### TOP-TIER MARKETS

Occupancy at one of our properties provides an ideal location in the top-tier markets and submarkets of the US and UK, with close proximity to a vibrant life science ecosystem.

### ACCESS TO CAPITAL

As a Blackstone real estate portfolio company, BioMed Realty provides tenants with valuable opportunities to connect with capital investors through the life sciences investment group.

### THE BIOMED REALTY DIFFERENCE

Our fully integrated platform is highly differentiated by over 300 specialized experts in leasing, development, property management, facilities, and more.
