MORE THAN WORK

Cubo Nottingham

12 King Street

Cubo Nottingham opened its doors in October 2020. The coworking space is on the top floor, with the private offices on the four floors underneath.

A prominent building in close proximity to Victoria Centre, the Cornerhouse and Old Market Square. Cubo Nottingham totals 20,000 sq ft arranged over five upper floors. All floors can be accessed via stairs or lift. WCs are available on all floors.

Nottingham is known for its role in the Robin Hood legend and for the hilltop Nottingham Castle Museum and Art Gallery, rebuilt many times since the medieval era. In the Lace Market area, once the centre of the world's lace industry, the Galleries of Justice Museum has crime-related exhibits. Nottingham is a rapidly changing and growing city. There are £2 billion worth of developments planned over half a square mile, and whole new neighbourhoods in the pipeline. Situated on King Street off the Old Market Square, Cubo Nottingham is right in the heart of the City Centre. Easily accessible via public transport (train, tram or bus) makes it the ideal place to work.

David Torrington Sky Recruitment Solutions Ltd and Capella Professional Ltd

"Cubo first interested me as it offers bright, modern, spacious offices. Not to mention the great front of house staff at both Nottingham and Derby, and free coffee and beer on site."
