

VACANT LAND - 3335 FREEMAN LANE MELBOURNE, FLORIDA

3335 Freeman Ln

OVERVIEW

The industrial team at Lightle Beckner Robison, Inc. is pleased to present an exclusive opportunity to purchase 2.23 acres of vacant BU-2 county zoned land located between US Highway 1 and N Wickham Road off Freeman Lane in Melbourne, Florida. This Space Coast development site offers close proximity to Interstate-95 and is surrounded by established businesses, dense residential corridors, and new development near Viera, one of the top rated master planned communities across the county.

The BU-2 zoning allows for a broad range of commercial and business uses, making the property well suited for an owner-user, or developer seeking a flexible land opportunity in a growing Melbourne corridor.

The property is fully entitled and site plan approved for a three building, 32 unit commercial storage project totaling approximately 26,198 square feet. Perfect for boats, RV's, campers, utility trailers, equipment, and all things storage.

This is a great investment opportunity to deliver a brand new storage option for the growing community.

MARKET OVERVIEW

Florida's Space Coast is a world-renowned aerospace, aviation, and manufacturing hub. The city is home to major aerospace and aviation companies, such as Northrop Grumman, L3Harris Corporation, Collins Aerospace, Embreair, Dassault Falcon, Thales, Satcom Direct, and more who are all contributing to the region's reputation as a key player in the manufacturing, defense, aviation and aerospace sectors.

Located in the southern region of the County lies Melbourne International Airport (MLB) which serves as a crucial asset for transportation. With over 20,000 people working on the airport grounds everyday it is said to be America's fastest growing aviation and aircraft manufacturing center, contributing almost \$3 billion to the economy annually.

The Space Coast is also one of the nation's 10 most undervalued housing markets, according to a recent report by the National Association of Realtors, and was ranked #4 on U.S. News & World Report's recent ranking of the top places to retire in the U.S. It has also been voted the #10 best place to live in the United States and over the last five years has brought in over 10,000 high tech jobs and a skilled labor workforce.
