Market Overview

The Las Vegas Metro continues to grow, as a result of its high rankings for quality of life, job and population growth, and healthy business climate.

The Las Vegas-Paradise MSA consists of nearly 600 square miles and encompasses Las Vegas, Henderson, Boulder City, North Las Vegas, Mesquite, and all of Clark County. The leading financial and cultural center for Southern Nevada, Las Vegas is the largest city in the state and an internationally renowned resort destination known primarily for gaming, conventions, shopping, fine dining and nightlife.

This popular destination is the 28th largest Metropolitan Statistical Area in the United States with over two million residents. Las Vegas is one of the top three leading convention and business meeting locations in the United States, and one of the world's top draws for tourism. The combination of no inventory tax, rich transportation infrastructure and the geographic location of the state's two largest urban centers are prime reasons that top brands like Amazon, Wal-Mart, Levi Strauss & Co., Bed, Bath & Beyond, Monster Cable, Ocean Spray Cranberries and others choose Nevada to stage their warehousing and distribution strategies.
