EXECUTIVE SUMMARY

EXECUTIVE SUMMARY

Seaside Drive offers commercial boat access with on-site outdoor storage. The two parcels total .96 Acres

The Fort Myers Beach area is on the road to significant revitalization and this property maximizes all the benefits of a waterfront location without the traffic. There is no redevelopment uncertainty because all zoning and permitting is handled through unincorporated Lee County, not the Town of Fort Myers Beach. The docks are fully operational and this property has the added benefit of security and open storage.

The property is currently zoned Marine Industrial (IM) and Agricultural (AG-2) The future land use is Industrial and Urban Community.

ALL PROPERTIES ARE BEING SOLD "AS IS"

BAY HARBOUR MARINA VILLAGE

San Carlos Island will make way for a new destination resort that will transform the vacant parcel at 1135-1185 Main St. into a vibrant neighborhood. This development will enhance economic activity, provide jobs, spur tourism and improve property values. The Bay Harbour Marina Village was recently approved by the Lee Board of County Commissioners. The project will include 75 residential units and a 40,000-square-foot “civic space” to be used by the residents of San Carlos Island. The complex will also include more than 300 boat slips and 30,000 square feet of retail and office space.

ZONING

Current Zoning - IM - Marine Industrial and AG-2

“The purpose and intent of the IM District is to permit the designation of suitable locations for, and to facilitate, the proper development and use of land and adjacent waters for commercial and industrial waterfront-dependent land uses.”
(Lee County Land Development Code).

The property is located within the San Carlos Island Water-Dependent Overlay Zone
Per objective 32.1 and 32.1.1 of the Comprehensive Plan:

Defined as “... land within 150 feet of the shore line, water-dependent marine, and industrial uses and water-dependent functions of recreational marinas.

**Landward of the overlay zone (150-ft Line): marine industrial uses, in addition to water-related accessory uses which may be permitted to occupy up to 50% of that portion of a parcel lying landward of the 150-ft line.”

Future Land Use: Industrial & Urban Community

Tiffany Luongo

Senior Advisor

239-707-1700 | TiffanyL@SVN.com

Tiffany Luongo has been doing commercial real estate in Southwest Florida for over 20 years. She started in land entitlement, taking Agricultural land through the zoning and entitlement process and turning it into development-ready projects.

Because of this background she has also represented national companies wishing to buy land for development.

Leasing and selling such developments was the easy part of the equation. She joined SVN in 2018 as her clients wanted the reach and tools afforded by a national brand with local knowledge.
