THE OFFERING

Saxum West is pleased to present **3841 Broadway Place**, a beautifully sandblasted brick and wooden bow-truss warehouse offering $\pm 7,400$ SF in South Central Los Angeles, within walking distance of USC, Exposition Park and the Lucas Museum. One of two twin warehouses on the block, 3841 pairs the character of exposed brick and soaring timber trusses with the utility of a fully functional drive-in warehouse.

The building has been renovated head to toe — re-poured slab, sandblasted brick and bow truss, fire sprinklers, heavy wood and wrought-iron doors, men's and women's restrooms, and most recently full HVAC and brand-new skylights. Three ground-level loading doors allow vehicles to drive straight in, and a fully enclosed ± 800 SF sheltered area at the rear adds secure storage or work space.

With 20-foot ceilings between the truss beams, the space suits warehousing, showroom and automotive uses as readily as TV/film, events and creative studio work — available for immediate occupancy.

ASKING LEASE RATE

\$1.35 /SF/MO MG

\$1.00/SF/Mo introductory rate for the first 3–6 months, offered to qualified long-term tenants.
