Lakeland is a vibrant community conveniently located along I-4 between Tampa and Orlando. With a population of just over 100,000, the city limits cover 74.4 square miles. Lakeland has many lakes that are community focal points, providing scenic areas for recreation. Much of Lakeland's culture and iconic neighborhoods are built around the 38 named lakes found in the community.

The City embraces its past, and that is evident strolling the tree-lined brick streets in the historic neighborhoods found throughout Lakeland. The area is home to Southeastern University, Florida Polytechnic University, Polk State College's Lakeland campus, and Florida Southern College, which hosts Frank Lloyd Wright architecture's most extensive on-site collection.
