Date: 7/7/2026

Project Title: 1310 Nowell Rd.
Raleigh, NC 27607

Description of Project:

Proposed area to be demoed is common area to back exterior wall, as discussed by building owner.

Demo interior office structures at rear of building. (Warehouse space)

Main Vision Contracting is responsible for permitting all demo, electrical, and HVAC work.

Remove electrical wiring and components to allow safe demo process.

Remove existing HVAC ducts and HVAC components to allow safe demo process.

Remove all existing framing material, floor trusses, and dispose of in designated dumpster.

Main Vision Contracting is responsible for all removal of trash and debris from site caused by project. Dumpsters will be placed in designated area on site.

Main Vision Contracting is not responsible for removal of tenants property from proposed demo area.

Electrical and HVAC components are to be reinstalled after work is complete to meet local code.
