THE HOT MINERAL SPA AREA

The Hot Mineral Spa is located North of State Highway 111 East of the All American Canal. The area is best known for the hot mineral waters and geothermal resources. The area is primarily occupied by four mobile home and recreational vehicle parks: Bashford's Hot Mineral Spa, Fountain of Youth Spa, Imperial Sea View Spa. These parks also include some self-contained camping spaces.

Other land uses consist of four aquaculture businesses: Imperial Fish Farm, Pacific Aqua Farm, F&L Warmwater and California Desert Fish Farm. The Hot Mineral Spa fish farms raise tilapia and catfish in warm artesian water which are sold primarily to the Southern California Fish Market.

The Hot Mineral Spa area has remained mainly a destination for tourists, vacationers and a retirement population who enjoys desert living and the hot mineral pools.
