PARK AMENITIES

1225 E. Whitmore is the fourth out of a total of five Class A distribution/manufacturing buildings in the 1,700,000± sf Master-Planned Campus

Two of the buildings are planned to be rail-served by a new spur connecting to Union Pacific main rail line to the west.

The entire Campus is fully secure with a centralized guardhouse located on Whitmore Avenue. Tenants may elect to also have access directly to Morgan Road.

The close proximity of the buildings and multi-tenant design allows for flexible space to accommodate businesses' expansion needs.
