

beyond Aldgate Tower

*workspace for
changemakers*

beyond is the bold new future

We create flexible local workspaces to empower global human endeavour. We are here to serve a generation of extraordinary change-makers and forward thinking business innovators. In fact, people and businesses like you. Whose world has changed forever.

As our name suggests, we think way **beyond** work space. We are unlocking a bold new future with a finely tuned formula.

We are about local community, global connection and high spec technology. We offer world class space and customised curated services. It's our manifesto that places you at the heart of your neighbourhood with a mind blowing array of opportunity.

Sounds like your kind of future? Let's get to work.

Local flexible workspace that empowers global endeavour

beyond Aldgate Tower is located at 2 Leaman Street within the iconic Aldgate Tower. An impressive 17 floor glass building at the heart of this emerging district.

Huge windows enable epic views and natural light floods the expansive open floor design to enhance collaboration and human connection.

beyond Aldgate Tower members benefit from our world class app with access to a huge range of opportunities from booking a meeting room to business support services.

National and global transport links are superb with the closest underground station being Aldgate East.

Connected Location, Collaborative Space

Aldgate is where global powerhouses & local communities collide. It's an area known for fast growing fintechs and famous food streets, bustling markets and major corporate headquarters.

Within this district hotbed, **beyond Aldgate Tower** is a beacon building that combines high tech connectivity with curated work space.

Our space design mixes cool industrial architecture with open lounge areas to optimise a calm mindset for heightened productivity.

beyond Aldgate Tower is an incredible space to thrive & innovate. There is no place like it.

A modern, bright living room with large windows, a yellow sofa, and bookshelves. The room features a yellow sofa with a dark fringed throw, a patterned rug, and a black coffee table with two black mugs. Bookshelves are mounted on the wall, and a white shelving unit holds a tall plant and books. The floor is made of light wood, and the walls are white. A large window on the left side of the room provides natural light and a view of the outside.

A step **beyond**.

Our unique formula goes way beyond workspace convention. A human centric approach converges high spec technology, curated services and global connectivity for businesses across the world.

A global mindset for local opportunity

beyond is an energy hub for innovation, collaboration & connection. Our cutting edge technology means we are able to bring together the local ecosystem and all types of companies across the world. Through rapid digital content and communication, we're transforming future opportunity for businesses across the world.

World class technology that drives innovation

Our unrivalled app technology opens a world of opportunity for our members. From easy meeting room bookings to discounted product purchases and the chance to connect directly with **beyond** members or even a wider business community. Our technology is transforming the future of flexible workspace.

beyond workspace for performance & positivity

Light-filled spaces that ignite imagination. Bold colour palettes that spark a creative mindset. Open, relaxing lounge spaces to support team collaboration or quiet contemplation.

beyond workspace is designed to enhance human performance and connectivity.

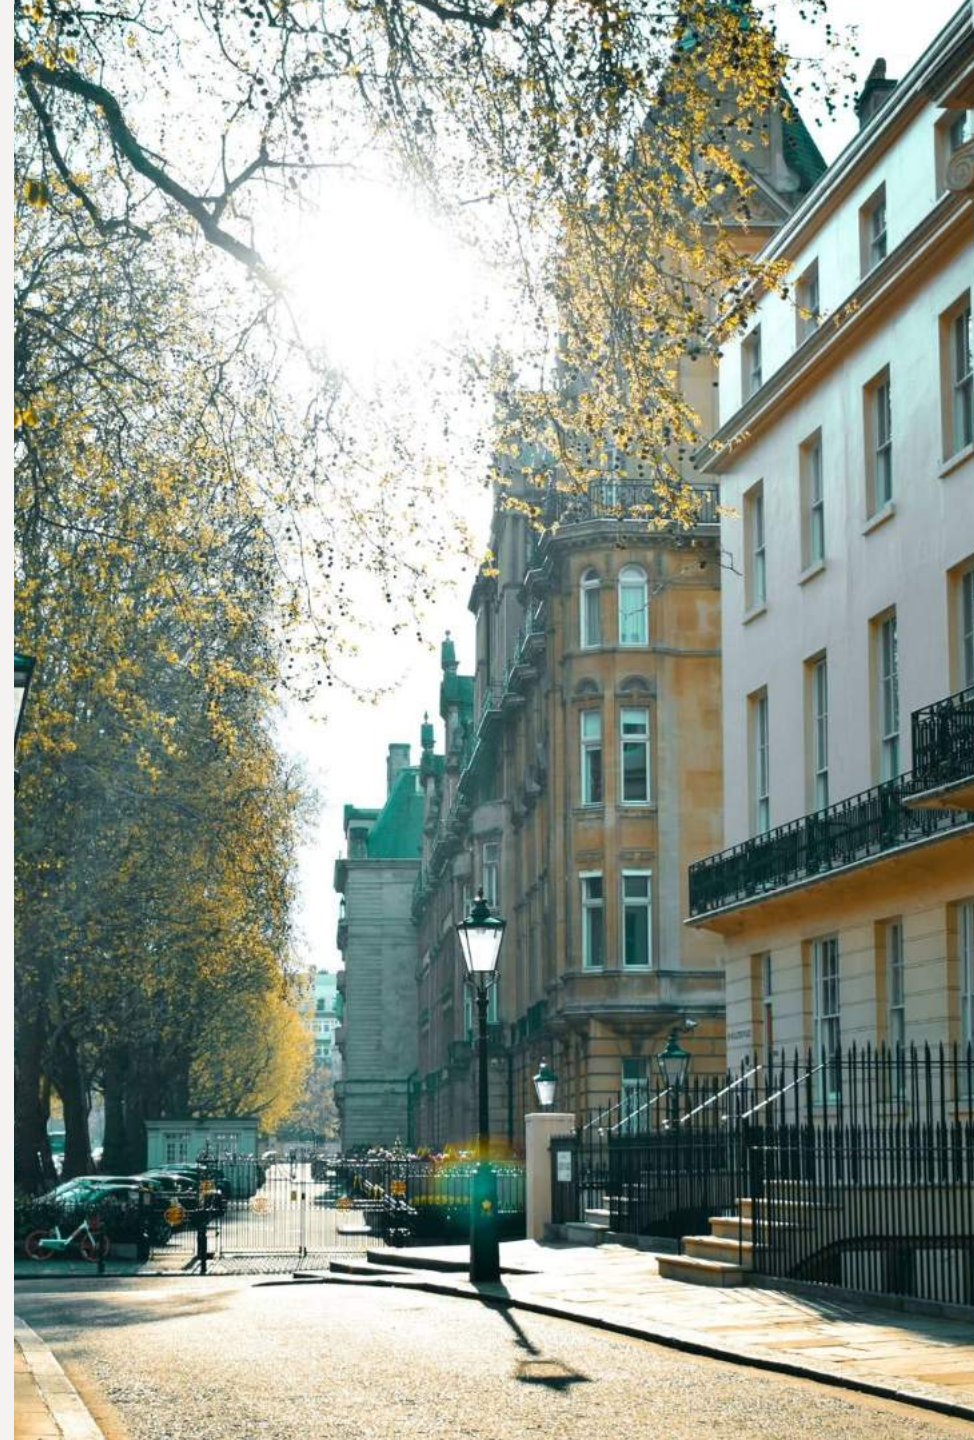

Why is Aldgate district so special?

It's the epitome of global city transformation. It combines the best of all worlds & cultures. It's an ecosystem for global business players. A beacon location for some of the biggest innovators on the globe - from global corporations to rising unicorns in fintech and transformative financial services.

Aldgate also sits within a vibrant local neighbourhood community. Colourful Whitechapel & Bethnal Green street markets, food and cafe culture and the historic streets of East London provide an inspiring local backdrop.

And you don't need to travel too far to access the green spaces of Hackney, shopping at Shoreditch and Spitalfields, premium City restaurants or the food and flavours of famous Brick Lane

Aldgate is highly connected, enabling easy access to bus, tube and national rail routes across London and the UK. Eurostar terminus is just 20 mins on a tube and City airport is 30 mins away.
