Wynwood: The Silicon Valley of the South

Wynwood is home to a growing number of established and emerging tech-based companies drawn to its world-class street art murals, pedestrian-friendly streets and unique restaurant and entertainment concepts. Miami's tech sector was born in Wynwood over 10 years ago and remains home to Florida's first co-working facility, tech incubator and accelerator, The Lab Miami, as well as nationally recognized coding bootcamp BrainStation (formerly Wyncode Academy).

This year, Silicon Valley transplants such as Founders Fund, Atomic and OpenStore signed multiyear leases at the Wynwood Annex, a new Class A office tower developed by the Related Group. Stockholm-based streaming giant Spotify also chose Wynwood for its LATAM HQ.

Wynwood's vibrant environment and popularity with tech workers are factors that continue to lure tech firms from Silicon Valley as well as New York hedge funds including Schonfeld to establish secondary HQs in the neighborhood. The office, retail and residential mix has resulted in a low-rise, campus-like environment for collaboration and networking unlike anything else in the United States.

Future Mobility & Pedestrian Experience.

THE DISTRICT TODAY

Wynwood welcomes over 5 million annual visitors that are drawn to its eclectic mix of art, retail and entertainment venues. It's home to over 200 public street art murals, 400+ businesses and one of the most dynamic culinary markets in the country. Wynwood is widely recognized as one of the most walkable neighborhoods in America with a 94 Walk Score. It has very good access to public transportation (MetroBus & City Trolley), is bicycle friendly, and has dedicated ride-share pick-up and drop-off zones throughout its 50 city-blocks.

FUTURE BRIGHTLINE COMMUTER RAIL SERVICE

Miami-Dade County is finalizing plans to establish new commuter rail service along the Florida East Coast railway that intersects across Wynwood a block east of North Miami Avenue. The new service is designed to interconnect Downtown Miami with new stations in Wynwood, Design District, North Miami and Aventura. The FEC railway is already being utilized by the high-speed Brightline train service that plans to connect Miami and Orlando from its MiamiCentral Station, which is just over one mile south of Wynwood.

EXPANSION OF METROMOVER NETWORK

Metromover, Miami's free, light-rail transit service, operates seven days a week and is planning to expand service along North Miami Avenue with proposed stops in Wynwood, Midtown and the Design District. The new service is expected to connect with existing stops at the Genting / Resorts World Miami Plaza, Perez Art Museum, FTX Arena (home to NBA's Miami Heat), Bayside Marketplace, Miami-Dade College and Miami International Airport.
