POST OAK SOUTHWEST
LOGISTICS PARK

TWO-BUILDING INDUSTRIAL DISTRIBUTION PARK - ± 353,942 SF TOTAL

POST OAK SOUTHWEST LOGISTICS PARK

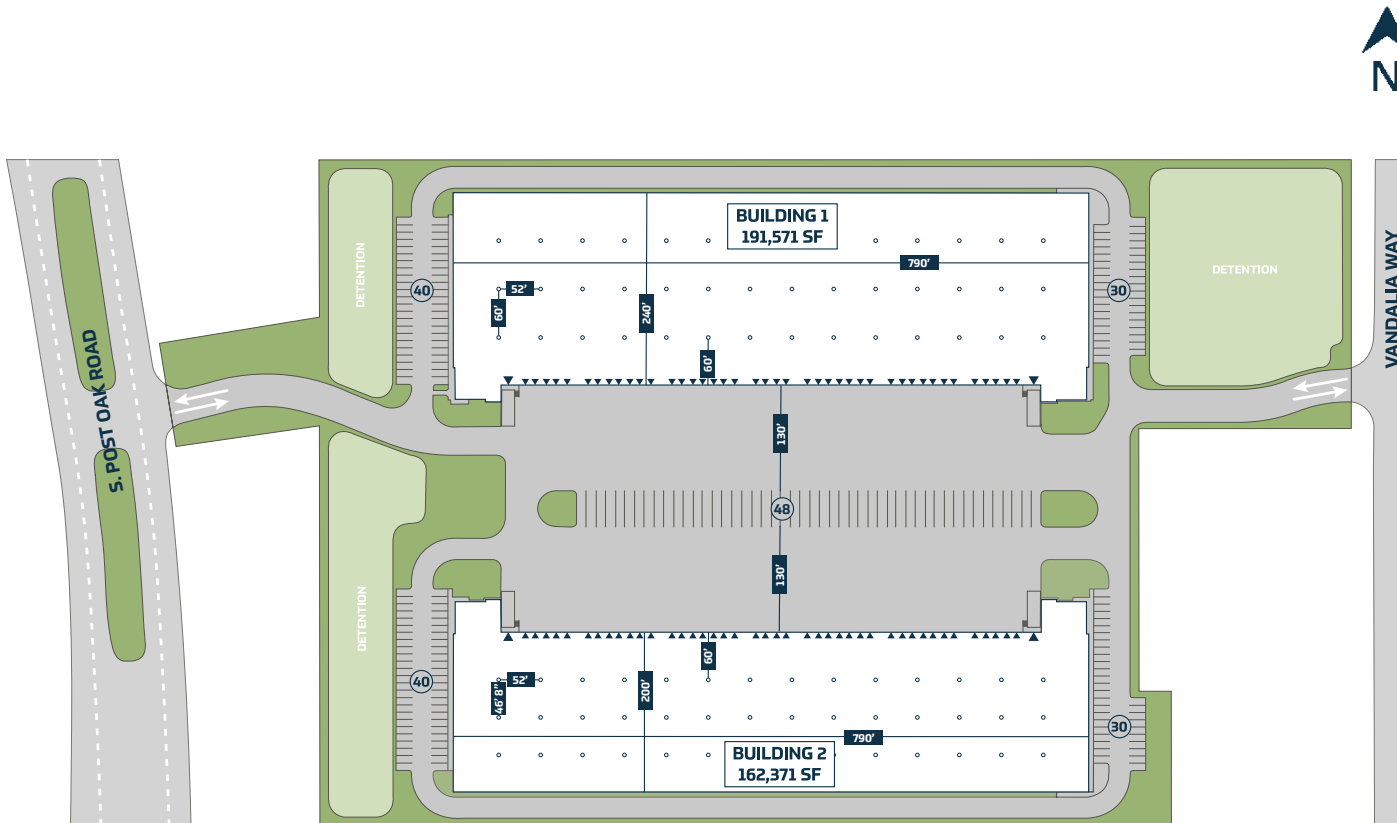

Southwest Houston's Newest Industrial Distribution Park

Post Oak Southwest Logistics Park is two building industrial distribution park in Southwest Houston totaling 353,942 square-feet of Class-A space. Ideally located along S. Post Oak Road with immediate access to Beltway 8, the park delivers outstanding regional connectivity to Houston's major highways, workforce, and population centers.

Built to meet the needs of today's users, the park offers efficient site circulation, above-average pedestrian parking, ample trailer storage, and the flexibility to fully fence and secure the property, supporting smooth, reliable day-to-day operations for warehouse and logistics tenants.
