DESCRIPTION

Globe House comprises a locally prominent, self-contained office building on Eccleston Square in Victoria.

The property was constructed in the 1970s, and was notably occupied by HM Passport Office until 2022. It provides floorplates roughly between 6,000 – 7,500 sq. ft with a total NIA of 68,686 sq. ft across ten storeys. The building is served by a singular core which provides lift access to all storeys.

The property is currently subject to a comprehensive refurbishment that will provide Grade A office accommodation to create an excellent HQ opportunity. Alternatively, the building could be let on a floor-by-floor basis.

All uses within Class E will be considered alongside Educational and Community uses.
