PROPERTY OVERVIEW

G. P. Industrial Center For Lease

Pinnacle Realty of New York LLC has been retained as the exclusive leasing agent for 1340 Viele Avenue, Bronx, NY.

This unique seven-acre site features approximately 260,000 square feet of single-story warehouse space, an additional 30,000 square feet of mezzanine offices and locker areas, and a contiguous 48,000 square foot paved outdoor lot.

The property is strategically located in the Hunts Point neighborhood, offering street-to-street access, three-sided loading, and wide double streets that accommodate efficient circulation. Its layout also allows for potential division configurations, making it suitable for a range of tenant size requirements.

Hunts Point is home to the largest concentration of industrial and distribution

facilities in the Bronx. G.P. Industrial Center is ideally positioned to meet the increasing demand for last-mile distribution, manufacturing, and related uses. It offers immediate access to major transportation routes, including I-278 and I-95, as well as key bridges connecting to Manhattan, the outer boroughs, Westchester, and New Jersey.

Additionally, the South Bronx has proven to be a cost-effective alternative to other markets, driven by shorter delivery times and reduced toll exposure, resulting in lower overall transportation and labor costs.
