Asset Overview

Bob's Parking is strategically located commercial parking and storage facility positions just off Interstate 44 in Springfield/Strafford, Missouri Corridor. This stretch of I-44 benefits from strong traffic counts, with average daily traffic exceeding 60,000 vehicles per day, providing excellent visibility and consistent demand drivers for transportation-related uses. Notable, approximate 1-in-4 drivers of all traffic on I-44 consists of commercial trucks. This heavy truck concentration directly supports sustained demand for truck parking, outdoor storage, and logistics – adjacent uses.

The asset enjoys easy ingress and egress with convenient access to I-44, allowing for efficient circulation for semi's, travelers, RV's and other large vehicles. The site layout and proximity to the interstate minimizes off-route travel time.

Further enhancing the location of Bob's Parking, recently established Buc-ee's travel center nearby, a significant regional draw that has increased traffic counts, visibility and overall commercial activity in the immediate area. Buc-ee's locations are widely recognized for driving long-term growth and reinforcing corridor strength for transportation and service-oriented businesses.

RECENT CAPITAL INVESTMENT

The property has also seen recent capital investment into the on-site office and living quarters, which are currently undergoing renovation. These improvements enhance on-site management capabilities, security oversight, and operational efficiency, while also providing optional flexibility for owner-operator use or staff accommodations. This 1,550 square foot buildings consists of two (2) office / bedrooms, two (2) restrooms, laundry room, living room / Office area and kitchen.

Overall, Bob's Parking combines high-traffic exposure, truck-heavy demand fundamentals, strong interstate access, and ongoing capital improvements, positing it as a completing opportunity within the growing industrial outdoor storage and transportation services sector.
