DALLAS/ FORT WORTH AREA OVERVIEW

DALLAS, TX

The Dallas/Fort Worth MSA has a population base in excess of 7,570,000 residents and is largest MSA in the South and fourth in the nation. Also known as “DFW” and “the Metroplex”, the MSA is located in the plains of North Texas and encompasses 12 counties. As the nation’s fastest growing metropolitan area, DFW has led population growth over the last decade, adding 1,300,000 people, or a 25% increase. It is projected that by year 2030, the DFW population will increase by an additional 37% to over 9,200,000 people. The Dallas/Fort Worth area is 9,286 square miles making it larger in area than the states of Rhode Island and Connecticut combined. Dallas is the largest city in the MSA with a population over 1,300,000 residents. Suburban areas surround the MSA, most heavily to the north, with Arlington, Grand Prairie and Irving separating Dallas and Fort Worth by approximately 35 miles. Interstates 20, 30, 35 and 45 are its major arteries connecting it to all regions of the country. Superior growth along these routes has pushed the boundaries of the Dallas/Fort Worth MSA statistical area and allowed the metro area to be the preeminent distribution hub for the region. The region’s transportation network continues to evolve to meet the needs of a growing populace. Metro-area civic leaders are taking proactive steps to improve mobility. Additional tollway miles are planned, including the Trinity Parkway in Dallas and the

extension of the Airport Freeway in Tarrant County. Public transportation is gaining more popularity. DART is the fifth-largest light rail in the country. The DART light rail system is expected to extend further into suburban Dallas, and Collin and Tarrant counties. The business community has easy connections to major commercial centers around the globe via Dallas-Fort Worth International Airport, home to American Airlines, and Dallas Love Field, home to Southwest Airlines. Additionally, there are 13 smaller airports in the Metroplex and nine railroads. DFW is one of the few metro areas in the nation to host teams in all four major sports leagues. It is home to 14 four-year colleges and 15 two-year institutions. DFW continually ranks high as an affordable metro area, especially when compared to other large MSAs, with a cost of living index of 94.7. DFW has the 4th largest number of corporate headquarters in the nation and is home to 18 Fortune 500 companies, including 4 Global 500 companies, and 40 Fortune 1000 companies. The 18 Fortune 500 companies collectively brought in more than \$813 billion last year. DFW has capitalized on its central U.S. location, unparalleled transportation network, operating and living costs well below the national average, pro-business government, critical mass of existing corporate headquarters and offices, and favorable year-round climate.

INFORMATION ABOUT BROKERAGE SERVICES

Texas law requires all real estate license holders to give the following information about brokerage services to prospective buyers, tenants, sellers and landlords.

TYPES OF REAL ESTATE LICENSE HOLDERS:

- A **BROKER** is responsible for all brokerage activities, including acts performed by sales agents sponsored by the broker.
- A **SALES AGENT** must be sponsored by a broker and works with clients on behalf of the broker.

A BROKER'S MINIMUM DUTIES REQUIRED BY LAW (A client is the person or party that the broker represents):

- Put the interests of the client above all others, including the broker's own interests
- Inform the client of any material information about the property or transaction received by the broker;
- Answer the client's questions and present any offer to or counter-offer from the client; and
- Treat all parties to a real estate transaction honestly and fairly

A LICENSE HOLDER CAN REPRESENT A PARTY IN A REAL ESTATE TRANSACTION:

AS AGENT FOR OWNER (SELLER/LANDLORD): The broker becomes the property owner's agent through an agreement with the owner, usually in a written listing to sell or property management agreement. An owner's agent must perform the broker's minimum duties above and must inform the owner of any material information about the property or transaction known by the agent, including information disclosed to the agent or subagent by the buyer or buyer's agent. An owner's agent fees are not set by law and are fully negotiable.

AS AGENT FOR BUYER/TENANT: The broker becomes the buyer/tenant's agent by agreeing to represent the buyer, usually through a written representation agreement. A buyer's agent must perform the broker's minimum duties above and must inform the buyer of any material information about the property or transaction known by the agent, including information disclosed to the agent by the seller or seller's agent. A buyer/tenant's agent fees are not set by law and are fully negotiable.

AS AGENT FOR BOTH - INTERMEDIARY: To act as an intermediary between the parties the broker must first obtain the written agreement of each party to the transaction. The written agreement must state who will pay the broker and, in conspicuous bold or underlined print, set forth the broker's obligations as an intermediary. A broker who acts as an intermediary:

- Must treat all parties to the transaction impartially and fairly;
- May, with the parties' written consent, appoint a different license holder associated with the broker to each party (owner and buyer) to communicate with, provide opinions and advice to, and carry out the instructions of each party to the transaction
- Must not, unless specifically authorized in writing to do so by the party, disclose:
 - that the owner will accept a price less than the written asking price;
 - that the buyer/tenant will pay a price greater than the price submitted in a written offer; and
 - any confidential information or any other information that a party specifically instructs the broker in writing not to disclose, unless required to do so by law.

AS SUBAGENT: A license holder acts as a subagent when aiding a buyer in a transaction without an agreement to represent the buyer. A subagent can assist the buyer but does not represent the buyer and must place the interests of the owner first.

TO AVOID DISPUTES, ALL AGREEMENTS BETWEEN YOU AND A BROKER SHOULD BE IN WRITING AND CLEARLY ESTABLISH:

- The broker's duties and responsibilities to you, and your obligations under the representation agreement.
- Who will pay the broker for services provided to you, when payment will be made and how the payment will be calculated.

LICENSE HOLDER CONTACT INFORMATION: This notice is being provided for informational purposes. It does not create an obligation for you to use the broker's services. Please acknowledge receipt of this notice below and retain a copy for your records.
