BREEAM 'Very Good'

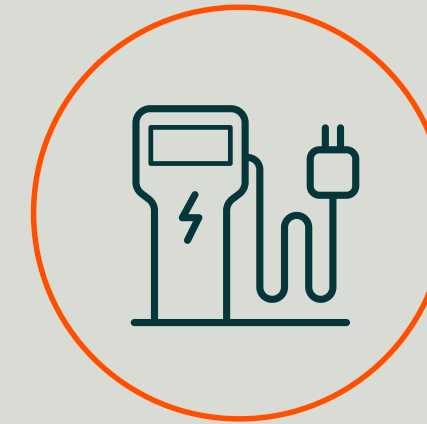

Warehousing that Works.

High performance space for your business.

Flexible industrial/warehouse units finished to a shell specification for occupiers to undertake their own fit out to suit their specific occupational needs.

Broadway Central is strategically located within 1.5 miles of both Junction 21 of the M60 motorway and Junction 20 of the M62 motorway. From here, Manchester International Airport can be reached within a 20 minute drive and the city centre is just six miles away.

We take a forward-thinking approach to consider and minimise the impact of our developments on the environment throughout the course of their life cycle, from design and construction through to operation. Working with leading sustainability consultants, Indurent embrace the latest technologies and methods to achieve future-proof solutions.

Active and passive Electric Vehicle charging points.

15% roof lights reduce the need for additional daytime lighting and provide a light, bright environment for your employees.

BREEAM Very Good placing these warehouses in the top 25% of warehouses in the UK for sustainability.

EPC A rating

With an EPC A rating, customers can lower their energy bills, all whilst delivering net zero carbon offices.
