PROPERTY OVERVIEW

Coldwell Banker Commercial Devonshire Realty (CBCDR) is pleased to exclusively offer for sale 501 W. California Avenue, a value-add multifamily redevelopment opportunity ideally located just minutes from the University of Illinois and Downtown Urbana. The sale includes **the active building permit (through 12/23/26), architectural plans**, major infrastructure improvements already completed, and a significant portion of the construction materials and fixtures already onsite. The property presents an exceptional opportunity for an investor or contractor to complete a **three-unit apartment building** while substantially reducing both the development timeline and upfront capital costs. With permits secured, major infrastructure completed, and key materials already onsite, the project is positioned for a buyer to immediately resume construction and move efficiently toward completion.

The building has been extensively prepared for redevelopment, including new roof, interior demolition, **new framing** for the three-unit layout, **updated rough-in plumbing, new electrical**, and all apartments are designed to accommodate in-unit washers and dryers with separated utilities. An additional 1,300 square foot basement with direct exterior access provides the owner or tenants with supplementary storage.

1	2	450± SF	1 BED, 1 BATH	\$900/mo

N/A	N/A	Parking	4 – 5 Spaces	\$50/mo

*Monthly Rates are estimated based on current market conditions.

A substantial inventory of construction materials has been purchased and will transfer with the sale, including sheetrock, kitchen appliances & fixtures, and washers and dryers, allowing the next owner to immediately continue construction without delays. Remaining work includes, but not limited to, window replacement, insulation, drywall, flooring, appliance installation, kitchen & bath cabinetry, HVAC, plumbing and electrical finishing, interior finishes and final inspection.

Located in one of Urbana's most desirable rental corridors, the property benefits from onsite parking, walkability, **close proximity to the University of Illinois campus**, downtown Urbana, and convenient access to public transportation, making the property appealing to a broad tenant base.

For investors seeking to create value through redevelopment rather than ground-up construction, opportunities of this caliber are exceptionally uncommon in the Champaign-Urbana market. With much of the entitlement, infrastructure, and early-stage construction already complete, 501 W. California Avenue offers a compelling opportunity to accelerate project delivery, reduce development risk, and capitalize on one of Central Illinois' strongest multifamily markets.
