

PRIVATE OFFICE 1-5 PERSON

FLEXIBLE. PROFESSIONAL. PRODUCTIVE.

A fully furnished private office designed for 1-5 person teams—or the solo professional who needs space to grow.

DESIGNED FOR YOUR SUCCESS

At Tech North Atlanta is a fully furnished private office designed to comfortably accommodate 1-5 person teams, while also serving as an ideal workspace for solo entrepreneurs who want room to grow.

This flexible office is a turnkey solution for startups, small businesses, remote professionals, and expanding companies seeking a professional presence in Alpharetta without the constraints of a long-term lease.

More than just office space, Tech North Atlanta functions as a business community and startup incubator, offering networking events, educational workshops, startup programming, and mentorship opportunities that connect tenants with founders, operators, and industry leaders across North Atlanta's innovation ecosystem.

IDEAL FOR:

- Startups & Founders
- Small Teams (1-5 People)
- Remote Professionals
- Expanding Businesses
- Client-Facing Professionals

AMENITIES INCLUDED

- High-Speed Fiber Internet
- 24/7 Secure Building Access
- Utilities Included
- Professional Business Address with Mail Handling
- Private Phone Booths
- Huddle Rooms & Lounge Areas
- Shared Kitchen with Complimentary Coffee, Snacks & Refreshments
- Printing & Scanning
- Professional Cleaning
- 2 Hours of Complimentary Conference Room Access Per Day
