# What Our Members Say

**Garia Games** \_\_\_\_\_ ★★★★★

Spacemade has been an absolute game-changer for me. The team is incredible—always so friendly, supportive, and genuinely invested in making sure everyone has the best experience. The community they've built is just as amazing, filled with inspiring, kind, and creative people. It's the kind of place where you feel motivated and at home at the same time. I couldn't ask for a better coworking space!

**Adam Holmes** \_\_\_\_\_ ★★★★★

Such a good coworking space. I have been to many all over Europe and this is by far the best. Such a bright open space and the staff are all amazing, happy to help with anything and have created such a community feel between all the members. Would 100% recommend!

**Emma Synott** \_\_\_\_\_ ★★★★★

The community feel in The Landing can only be described as phenomenal. The team are the heart of this space - they are warm, welcoming, so helpful, and their creativity with each event they put on is just exceptional. They are a credit to Spacemade and are hugely valued by us members.
