Property Highlights

- Momentum Under New Ownership:** Lone Mountain Plaza is undergoing a leasing push under new ownership, with vacancies opening up prime suites for the first time in years — a reflection of prior management, not the real estate itself. Multiple leases are already in progress, with strong momentum building. The center sits directly between two of the area's busiest grocery-anchored corners — Craig Rd. & Decatur Blvd. (Albertsons-anchored) and Ann Rd. & Decatur Blvd. (Albertsons-anchored) — putting tenants in the path of strong, existing trade-area traffic.
- Signalized Corner Location:** Positioned at the signalized, full-access corner of W. Lone Mountain Rd. (±6,850 CPD) and N. Decatur Blvd. (±26,900 CPD) — one of the primary north-south retail corridors on the west side of the Las Vegas Valley, linking US-95/I-11 to the 215 Beltway. Two pylon signs and dual street frontage give the center strong regional visibility and easy ingress/egress from both roads.
- 2nd-Gen Spaces Available:**
 - ± 25,350 SF 2nd-gen Jr. Box, former Ace Hardware, Suites 4858-4860 — ± 14ft clear height, two 8ft x 8ft dock-high doors
 - ± 5,600 SF 2nd-gen Medical endcap, Suite 4920
 - ± 5,250 SF former furniture space, Suite 4838-4848
 - ± 1,453 SF 2nd-gen Restaurant with 15ft hood & grease trap, Suite 4864
- Dense, High-Income Trade Area:** More than 165,000 residents and nearly 59,000 households sit within 3 miles, growing to 447,000+ residents within 5 miles. Average household income across the trade area runs \$109,771–\$119,015 — roughly 5%–14% above the Clark County average of ~\$104,000 — reflecting an established, higher-earning base of rooftops surrounding the center.
