## Why we love...

Don't miss out on 2 months rent free on a 12 month term!

The Grade II listed building has been sensitively restored by Peckham based architects, Felix & Merlin. Retaining and revealing many of its original 19th Century features, whilst modernising and reinventing it for the 21st century, as a dynamic cultural community and workspace hub.

True to its history, Elephant & Castle is becoming one of London's most exciting destinations.
