Mortimers Commercial Limited

Registered Address: 2 Ambleside Avenue, London SW16 6AD Registered in England and Wales 06578109

Location: Situated in a mixed-use development less than 100 metres from the river Thames, with ground floor commercial space and residential apartments in the block above. The Riverside Quarter Estate comprises numerous well-spaced blocks and is sumptuously landscaped.

Apart from office uses, the location of the office on the mixed-use Wandsworth Riverside Quarter makes it perfect for an aesthetician, dentist or doctor because of the residential space above Milliners House, Chapelier House, Mandel House and Coptain House, as well as the numerous all-residential blocks.

About 1,500 people live on the WRQ in its 750 apartments. There is an amazing diversity of contemporary businesses on WRQ. These are described below.

The property was the home of Alsop Verrill Ltd, town planning and development consultants, for 21 years. It shares the service of concierges, is handily placed for the Hudson's convenience store (1 minutes' walk) and "The Cat's Back" pub with other local amenities including Sainsbury's Local within 4-5 minutes' walk. Putney and Wandsworth town centres are within 15 minutes' walk.

The beautiful Edwardian era Wandsworth Park is close-by as well, offering peaceful respite from the working day. Apart from its avenues of London plane and lime trees, it has a charming 12-hole mini golf course, serviced by the excellent Putt in the Park café, and two hard tennis courts.

The area is well served by public transport. Bus 485 terminates at WRQ, whilst routes 220 and 270 also run along Putney Bridge Road. East Putney District Line and Wandsworth Town (for London Waterloo) stations are 12-14 minutes' walk. Perhaps the most important public transport link is the Riverside Quarter Thames Clipper stop at the northern end of Milliners House which runs into Central London, two minutes' walk from the office.

Description: Ground floor self-contained Class E office premises in a modern mixed-use development (finished November 2004). The office has high quality hardwood flooring throughout (apart from the bathroom), plaster and paint to walls and ceilings with recessed spotlights and air conditioning/heating units. The cabinetry was hand-built by Bill Speed, an expert joiner.

The premises could alternatively be used for other Uses falling within Class E (Commercial, Business and Service Uses):

- Café or restaurant
- Clinic, health centre, creche, day nursery, day centre
- Financial / professional services
- Gymnasium

The potential for conversion to residential use could also be explored.

One secure car parking space is demised with the office. This is situated in the underground car park, controlled by fob-operated gates.

Accommodation: 93.14 sq m (1,002 sq ft).

Price: A sale of the existing 999-year lease from 25th December 2003 with a rising ground rent every 25 years from £250 pa to a maximum of £1,250 pa.

Service Charge: Details provided upon request.

Rates: The Rateable Value is £33,000. The Rates payable for 2026/2027 are £14,059.33 pa. Interested parties should verify these figures with the local rating authority.

The increase in Rateable Value from £25,000 to £33,000 is currently being challenged.

EPC: Rating 59C. Further details are available on request.

VAT: We understand VAT will be payable on the purchase price.

Legal Costs: Each party will be responsible for their own legal costs.

Viewing: Strictly by appointment through sole agent MORTIMERS.
