Description

The property comprises a mid-terrace industrial unit of steel frame construction with brick and glazed elevations to the front and aluminium cladding to the rear under a pitched roof incorporating translucent skylights.

The ground floor consists of reception area and DDA compliant WC facilities with stairs leading to fully fitted offices at first floor level. The offices are split into two areas, offices to the front of the building and further storage / ancillary space at the rear. The first floor space accounts for approximately 75% of the total building footprint.

The ground floor space consists of warehouse space under the mezzanine floor and the full height warehouse space, which benefits from a minimum eaves height of approximately 8m and has an insulated, electrically operated, loading door of approximately 3.5m wide by 3.6m high. Externally the property benefits from 3 dedicated parking spaces to the front and further loading / parking to the rear.
