u. Smoke shop/head shop.

v. Truck stop or travel center/plaza.

(3) The commission will make a determination concerning any use not clearly compatible within this zoning district or when there is any question by the zoning administrator or by the applicant concerning the appropriate zoning classification required for any use.

(k) Industrial light district (IL) (formerly M-1). This district provides areas for manufacture of finished products from materials and compounds which have been previously processed, large administrative or technical facilities which may not be appropriate in commercially zoned districts, major repair shops for various types of equipment, large wholesale distribution centers, storage and shipping yards, and those commercial enterprises that directly support or provide services and supplies to such operations. Manufacturing processes which may result in toxic hazards or byproducts are prohibited in this district. See performance standards, section 64-198.

(1) The following uses are allowed by-right:

- a. Agricultural, mechanical, chemical and electronic equipment manufacturing or processing plants.
- b. Warehouses and terminals.
- c. Research and administrative facilities.
- d. Sales, service and repair facilities not appropriate in a commercially zoned district.
- e. Wireless telecommunication facility—Low impact, subject to the requirements of section 64-202.
- f. Sexually-oriented business, subject to the requirements of section 64-201.
- g. Telecommunication center or agency for customer service, technical support, or telemarketing operations.
- h. Self-storage warehouse facility.
- i. Light assembly/fabrication or custom handicraft manufacturing.
- j. Welding or machine shop.
- k. Food processing and preparations plants.
- l. Private autopsy facility.
- m. Wild game processing.
- n. Storage/shipping yard.
- o. Truck stop or travel center/plaza.

(2) The following uses require a specific use permit:

- a. Service facilities and suppliers furnishing goods and services primarily within this district.
- b. Restaurants and drive-in convenience stores which provide goods and services primarily within this district.
- c. All uses permitted in the public and institutional district.
- d. All uses permitted in the planned development district.
- e. Wireless telecommunication facility—High impact, subject to the requirements of section 64-202.
- f. Manufactured home sales.
- g. Recycling facility.
- h. Commercial indoor archery or firearms shooting range.
- i. Wholesale auto auction.
- j. Outdoor vehicle storage facility.

(l) *Industrial heavy district (IH) (formerly M-2)*. This district provides areas for those commercial and industrial facilities which are not generally compatible with uses in other districts, emit particulates or odors which are within the limits provided by the performance standards but may be objectionable to other users, may require on-site facilities to meet appropriate performance standards, or where an industrial accident or spill of toxic material may cause release of a toxic substance proximate to an inhabited area. See performance standards, section 64-198.

(1) The following uses are allowed by-right:

- a. All uses allowed by-right in the IL district.
