

This architectural floor plan depicts a building layout with a central corridor and staircase. The plan includes several rooms and functional areas:

- Central Staircase:** A central staircase with a downward arrow, flanked by a "Tele" (Telephone) booth and an "Elec" (Electrical) room.
- Restrooms:** A set of restrooms labeled "Men" and "Women" is located on the left side, adjacent to a "Jan" (Janitor) room and a "DW" (Drinking Water) station.
- Storage/Utility Rooms:** Several rooms with "X" marks, likely representing storage or utility spaces, are distributed throughout the plan.
- Entrance/Exit:** A diagonal line with an arrow at the bottom right indicates a primary entrance or exit point.
- Room Labels:** Other labels include "DF" (Drinking Fountain) and "FE" (First Aid) near the staircase.

The plan uses standard architectural symbols for doors, windows, and furniture, providing a detailed view of the building's internal structure.
