

8' Walls in this area, no need to extend to ceiling. See attachment for detail

Standard tile in smaller room and kitchen

Vinyl plank tile in large office

ESD tile in this room

Extend office wall to ceiling

PRELIMINARY FLOOR PLAN

Align wall w/ electrical box on wall, extend as long as possible without pushing angled wall too far into the hallway

Make this office the conference room, move windows from deleted wall to new wall

All other flooring is standard carpet

Vinyl plank ends here, aligned with edge of angled wall

Fill in recess

Vinyl plank tile in reception, hall, stairs, entry, and corner-office

THIS PLAN IS FOR SPACE PLANNING PURPOSES. IT IS SUBJECT TO ALL APPLICABLE STATE AND CODES AND SHALL NOT BE USED AS A CONSTRUCTION DOCUMENT. ALL DIMS ARE APPROXIMATE AND SUBJECT TO VERIFICATION. ALL ITEMS MAY NOT NECESSARILY BE IN STANDARD.
