Ideal Workspace

Set at the entrance to the Energy Park on Exploration Drive, the Enterprise Centre is Aberdeen Energy Park's flagship office building, the ideal workplace for forward-looking, ambitious businesses.

The contemporary office suites are available on highly flexible terms.

Customisable Office Suites

Give a first impression to be proud of with a fully furnished office suite in the Enterprise Centre. Arranged on two floors around a spacious, airy breakout area, the offices are available in a wide range of sizes starting from 40 square metres. With large windows and plenty of natural light, all offices provide a modern, bright and welcoming working environment for teams of around 8 people or more.

The serviced offices in the Enterprise Centre provide an inspiring base for your business. The suites can be fitted out to suit your requirements, whether it's open plan, individual cubicles or private offices. All occupants are free to use the kitchen, coffee machine, showers and meeting room as well as the staffed reception.

With bright and comfortable shared areas for quiet moments or relaxed conversations, and outdoor seating in landscaped grounds directly outside the building, your team's wellbeing is prioritised. What's more, the Enterprise Centre is situated directly opposite the popular Grub café, where you can grab a takeaway coffee or sit in for a tasty sandwich lunch.

Affordable, Flexible Terms

Standard leases and all-inclusive licence options are available, taking the pressure off business owners, with electricity, broadband, insurance, repairs and cleaning all rolled into one monthly payment. Use of the spacious, naturally lit conference room, equipped with AV facilities is also included in your package.

Importantly, we can offer very flexible terms to suit your business needs. Terms start from 3 months. Moving to the Enterprise Centre is an easy choice.

Excellent Transport Links

Situated right on the A92 (Ellon Road/The Parkway), as well as being close to the AWPR, the Energy Park has easy access to Aberdeen city centre, the airport and routes to the south.

There is generous car parking including electric car charging points. A secure cycle store and shower facilities are provided for those who prefer a more energetic commute.
