\$139,500

Rosemary St
Williston SC

Bring your vision to this 1.03-acre commercial property in Williston. Featuring a single-story brick building built in 1988, this site offers space, flexibility, and a convenient location just outside a residential area. With room for parking, storage, or future improvements, the property is ideal for a small business owner looking to establish or expand. Some repairs are needed, offering the opportunity to update and customize the property to fit your specific needs.
