Metcalfe Street

OTTAWA, ON

Located at the corner of Somerset Street in downtown Ottawa, 237 Metcalfe Street is a distinguished three-storey Victorian-style heritage building constructed between 1876 and 1877 and extensively refurbished in recent years. The property holds notable historical significance as the former Official Residence of Canada's third Prime Minister, the Right Honourable John Thompson (1892-1894).

The property comprises a three-storey office building with a partially finished basement and onsite exterior parking. It offers an above-grade gross floor area (GFA) of 7,367 square feet (sf), plus an additional 2,940 sf of finished and unfinished basement area, for a total building area of approximately 10,307 sf.

Ideally situated in the heart of downtown, the building enjoys proximity to parks, restaurants, schools, and essential services. Its central location provides excellent accessibility—just minutes from Highway 417 and approximately 1 km from the Parliament LRT station—making it a highly convenient and strategic address for any business.
