Description

Units 1 & 2, Orton Way, is a securely gated, semi-detached warehouse with a modern specification, constructed circa 2000. The unit comprises a steel portal frame with part brick and profile metal clad elevations, set beneath pitched profile clad roofs, and benefit from an approximate minimum eaves height of 8 meters.

The unit benefits from two secure, fenced loading yards, parking and 5 roller shutter doors (3 on one side and 2 on the otherside) alongside substantial covered canopies on either side of the building.
