

7200 E. Dry Creek Road

This architectural floor plan shows a bathroom layout on a grid background. The room features a toilet in the upper left, a sink labeled 'SB30' next to it, and a bathtub labeled 'Z268' in the center. A shower area with a glass partition is located in the lower right. The plan includes various wall segments, doors, and windows, with labels such as '3040DH' and '5040DH' indicating specific dimensions or specifications. The layout is detailed with lines representing walls, fixtures, and openings.
