McMahon Architects INC.  
 AutoCAD Documents  
 Property Rights and Limitation of Liability  
 Project: 186 LINCOLN STREET

As a favor, without compensation, McMahon Architects, Inc. ("McMahon") has provided certain architectural CADD files for use on the above referenced project. The user of these files assumes all responsibility to determine if this CADD file information is applicable and/or accurate for the intended use. Base building configurations and tenant spaces must be field measured prior to any redesign or modification.

These architectural files from McMahon carry no warranties, guaranties or other representation of any nature concerning the accuracy or completeness of any information described or depicted therein with respect to any dimensions, measurements, fit, field construction conditions, or criteria. The user agrees to release, indemnify and hold harmless McMahon with respect to any claims, costs and/or liabilities between McMahon and the user and/or a third party to whom the information is released, arising out of or relating to the accuracy and/or completeness of this CADD information.

All materials in the nature of computer aided design drafting (CADD) are instruments of McMahon for use solely with respect to this Project and McMahon shall be deemed the author of these documents and shall retain all common law, statutory and other reserved rights including copyright thereto.

Notwithstanding the foregoing, such copies of CADD documents shall not be used by the user or a third party on other projects, for additions to this Project or for completion of this project by others.
