Description

The 5th floor comprises 22,410 sq ft of fully fitted office accommodation within a building recently comprehensively refurbished to a Buckley Gray Yeoman design. The fit out, delivered by Overbury, makes clever use of the space, offering 22 meeting spaces, 10 phone pods as well as 180 work settings.

Being a tenant of the 5th floor would also bring access to the c.4,000 sq ft communal rooftop terrace with views directly over St Paul's Cathedral. The rooftop has an indoor welcoming area and comfort facilities, as well as a built in bar area and the terrace can also be used privately a few times a year. 2 Gresham Street also boasts an impressive double height main reception and best-in-class end of trip facilities, both new in 2021.

Full documentation available upon request.

Location

The building occupies a prominent corner position on the western end of Gresham Street, and is served by access to St Paul's, Barbican, Bank, Farringdon and Moorgate Stations all within a short walk, giving access to the Central, Elizabeth, Hammersmith & City, Circle and Metropolitan Lines, as well as Thameslink and other mainline rail services.

The local area benefits from a wide range of amenity options, with Paternoster Square and the shopping on Cheapside moments from the building.
