Highlights

Opportunity

To purchase or lease a prominent and highly exposed freestanding building on a corner lot in the sought-after market of Tilbury. 7118 Venture Street is available for vacant possession, providing a 49,334 SF freestanding building on 2.99 acres, which includes a vacant and undeveloped 1 acre parcel. The undeveloped area is a rare opportunity to use as outdoor storage, or develop an expansion of the existing building. With the scarcity of vacant industrial land in Metro Vancouver, this opportunity provides flexible options to plan your business's long term growth.

Location

7118 Venture Way is ideally located in the Tilbury area of Delta, BC and is less than a minute drive from the 80th Street Interchange, connecting to Highway 17. Highway 17 allows for quick connections to all areas of Metro Vancouver, including Highway 99 to Richmond and Vancouver, Highway 91 to the US border, Deltaport, and North Surrey, with connections to the Fraser Valley and Highway 1 (Trans-Canada Highway). The Tilbury submarket offers a premium corporate environment with newly constructed buildings in the immediate area.

Property Highlights

- Corner location with prominent signage offers excellent curb appeal
- Functional office layout and size with a mix of open plan area and private offices
- Existing small cooler located underneath the office mezzanine
- Additional undeveloped 1 acre of land included in the property, providing the opportunity for additional outdoor storage or building expansion
- Recent environmental assessment & property condition assessment available
