# THE KILROY EXPERIENCE— REDEFINING PLACES FOR NEW WORK

**Kilroy Realty is a leading West Coast real estate company focused on creating sustainable, high-quality workplaces that support tenant well-being and contribute positively to the environment and community.**

## **Sustainable, Innovative Design**

- Kilroy properties emphasize sustainable design and practices, aligning with tenants' environmental goals.
- Buildings feature top-tier amenities, along with retail, public art, and community spaces, creating dynamic environments for work and leisure.

## **Tenant-focused Management**

- Kilroy's property management approach includes sustainability-focused programs and proactive support to enhance tenants' experience.
- Workspaces are designed to promote employee wellbeing and foster a sense of community, making them attractive to companies in tech, media, life sciences, and other innovative industries.

## KILROY IS DRIVING ENVIRONMENTAL PROGRESS THROUGH DESIGN AND OPERATIONS.

Kilroy differentiates itself through an unmatched focus on sustainability and wellness. Kilroy properties are designed to the highest standards, with numerous LEED and WELL certifications, carbon-neutral operations since 2020, and extensive energy efficiency initiatives.

Our sustainability efforts are broad, and include a focus on energy, carbon, water, waste, health & wellness, and stakeholder engagement. We identify climate change as both a risk and an opportunity to our business and we build these factors into our strategy and risk management efforts. Our sustainability programs contribute to long-term value creation and help shape our corporate strategy.

This commitment to green practices positions Kilroy as a leader in environmentally responsible real estate.
