PROPERTY DETAILS

5 Airport Rd is a 10,000 SF building located in Lakewood, NJ, available in its entirety or divisible into flexible suites. The layout's group rooms and multiple private offices also lend themselves well to educational or program-based uses. The building features well-configured spaces, each with private restrooms. Set in a growing commercial corridor with strong area demographics, the property offers ample on-site parking and solid visibility along a well-traveled roadway near established medical and childcare users.

Approximately 10,000 SF available — take the whole building or divide into suites

Retail and office use permitted, suitable for medical, professional, or retail tenants

Ample on-site parking

Prime Lakewood location with strong visibility

Easy access to GARDEN STATE PARKWAY
