Meet Your Agent

Hi! I'm Nicole Apostolos

I am a seasoned apartment salesperson in the Los Angeles area. I began my career in 2001 at Marcus & Millichap as an after school job and soon fell in love with commercial real estate. In 2004 I became licensed and started serving as a consultant to the Hollywood and Koreatown areas of Los Angeles. Meeting face to face with local owners to better understand their real estate needs is at the heart of my business. Whether it be getting a rent survey for a client I have sold a building to, giving annual evaluations for a client for tax purposes, or listing a property, I base my business on long term relationships. Listening intently from the beginning allows me to serve my clients with information and an inside track of market trends to help make the right decisions for their portfolio's and ultimately achieve their investment real estate goals. Because of my extensive deal experience I am able to accurately underwrite, foresee potential issues, resolve them early on and vet buyers to save time and hassle. This expertise is shown in a track record of listings with low days on the market and a 97% purchase price vs. list price in my closings. Strategically pricing and aggressively marketing are at the foundation of my approach.

My clients can always count on me to go to the necessary lengths to achieve their price and terms, and work on their behalf to ensure all parties are satisfied. I also has experience with many creative ways to help my clients achieve their ultimate real estate goals when they may not seem possible. Through creative financing, uncommon offer terms and twenty years of experience I rarely have transactions fall out of escrow. Committing to exhausting all possibilities for a win win successful close has kept me on speed dial for my repeat clients.

Meet Your Agent

Hi! I'm Dana Coronado

I help income property owners LIKE YOU save money and time, build generational wealth, increase cashflow, solve problems, and buy & sell real estate. I've been selling multifamily and commercial property for 20 years, and I own and manage my own income property. I am a consistent "top producer" and have closed over 200 transactions and hundreds of millions in volume. I choose to lead a small team because I like to be involved with clients directly from start to finish (and I am a mom that values family and balance). I love my chosen profession and helping clients smoothly navigate what can otherwise be a confusing and stressful time - an escrow.

As we get to know each other better, you will find that I am straightforward, honest, smart, intuitive, analytical, tenacious, and a great negotiator. I am well respected among industry professionals and known as a market expert, problem solver, a hard worker, and a woman of integrity. If these are ideals you value, we'll get along well and become fast friends. Most of my customers become repeat clients and refer me to their family and friends, which I am quite proud of.

I am excited that you are interested in purchasing income property in Los Angeles, and are interested in learning about this listing. I would be honored to represent you in the transaction, and welcome a phone call or meeting to discuss the property and your investment goals. Also, I usually have multiple off market deals at any given time, so I may have something else for you if this deal isn't the right fit. When you work with me, *YOUR* best interests come first. I look forward to meeting you soon!
