Houston, the largest city in Texas and seat of Harris County, is located in the southeast part of the state near the Gulf of Mexico. The City of Houston is the largest city in Texas with a population of 2,390,125 as of 2025. It is the principal city of Houston–The Woodlands–Sugar Land, which is the fifth-most populated metropolitan area in the United States.

Known as the Bayou City for its waterway system, Houston thrives because it is a great place to work and a great place to live. For business and fun, for living and visiting, Houston is one of the dynamic frontiers on the world stage. With its proximity to the Southern Hemisphere and having the infrastructure to accommodate the growing needs of numerous global interests, Houston has become an international destination and one of the world's great cities. As a major corporate center, Houston is home to 23 Fortune 500 companies. The port of Houston ranks high among U.S. ports in foreign tonnage handled. The city is a major business, financial, science, and technology center. Houston is outstanding in oil and natural-gas production and is the energy capital of the world. It is the home of one of the largest medical facilities in the world: the Texas Medical Center, and the focus of the aerospace industry. The Lyndon B. Johnson Space Center is the nation's headquarters for staffed spaceflight.

Southwest Houston is a primary business and residential hub of the city which includes the world-renowned Texas Medical Center to the vibrant Galleria area to dozens of terrific neighbourhoods in-between. Southwest Houston covers almost 60 square miles of charming neighbourhoods, thriving businesses districts, exciting entertainment venues, and world-class medical care and educational institutions. With over 14,000 business establishments Southwest Houston adds significantly to the Houston area economy. South Houston's convenient; close-in location is traversed by most major thoroughfares in the city.
