<https://fireplace.services/>

Over 11 years in business at Fireplace Solutions & Services we offer you something our competitors don't: a one-stop shop for everything involving your fireplace or fire pit project. Our mission is simple. We spread love through fire. With that in mind, we take pride in developing and maintaining skills in gas piping, electrical, venting, and repairs. We install everything we sell as a dealer because we understand the safety of your home and family is your first consideration. We don't just service fireplaces. We hang drywall, install tile and stone, and provide beautiful carpentry finishes for a polished, seamless focal point in your home. Our complimentary phone consultations and site visits help us guide you in planning and budgeting for your project. Our number one priority is creating happy customers. Maintaining that priority, spreading love through fire, has helped us build the reputation and repeat business we are proud of, today. We are a local, family-owned and operated company with more than 30 years in the fireplace industry.
