

## 87 A Worship Street, Shoreditch , EC2A 2BE

87A Worship Street sits in one of London's most exciting pockets - the sweet spot where Shoreditch creativity meets the City's corporate energy. You're moments from Broadgate, Liverpool Street station, and the new Elizabeth Line, so connectivity is unreal. The office itself is located within a private gated development and set back from the main street making it exceptionally safe and quiet. Within the courtyard, there is also access to the communal roof terrace.

## Why we love...

This is exactly the sort of self-contained space businesses into.

you walk in — large windows, great ceiling heights, and a layout that can flex to open-plan or team-zone working.
