SOUTHTOWN OFFICE/RETAIL FOR SALE

1020 Roosevelt Avenue, San Antonio, TX

DESCRIPTION

A fully renovated, standalone commercial asset on one of San Antonio's most dynamic corridors -- Roosevelt Avenue -- a direct artery into Downtown and the gateway to Southtown's explosive growth.

1020 Roosevelt offers 2,400 SF of adaptable space with the rare ability to accommodate up to three tenants, creating multiple income streams or a live/work configuration for an owner-occupant seeking both presence and flexibility. Whether you envision boutique retail, creative office, cafe concept, studio space, or a hybrid investment strategy -- the layout is built to evolve.

Recently renovated and truly turnkey -- modern systems, high-end finishes, commercial-grade infrastructure, and thoughtfully designed interiors are already in place. For buyers utilizing financing, the building is 100% move-in ready with no post-closing renovations. Immediate usability. Immediate income potential.

Inside, the aesthetic blends modern-industrial character with upscale detailing: soaring ceilings, sealed concrete floors, custom cabinetry, quartz surfaces, high-efficiency HVAC, tankless water heater, dual-space alarm capability, and a full bathroom with shower. The building is plumbed and wired for expansion, offering built-in scalability for future use cases.

Situated in the newly designated River Artes District, the property is moments from the Lone Star Brewery development, Downtown's Project Marvel entertainment district, King William, Lavaca, the South Alamo Strip, and Southtown's thriving cafe/gallery scene -- a corridor seeing rapid appreciation driven by lifestyle migration, mixed-use development, and cultural energy.
