SITUATION & DESCRIPTION

With a resident population of 7,853, Crieff is the largest town in the Strathearn area (population 10,419) situated only 16 miles west of Perth. Crieff is very well located for easy access to the wider area via the A85 and the nearby A9 (10 miles) and has a long tradition of attracting tourists who use it as a central base for exploring Perthshire and the Highlands.

The premises are extremely well situated at the west end of the High Street (A85) in a prominent position on the crossroads with Galvemoire St, Lodge St and Comrie Street.

Occupying the ground floor within a 2 storey period building of traditional stone and slate construction, the premises are arranged internally with a bright main area, smaller office, kitchen and accessible WC. The property has an intruder alarm and secure entry system.

The internal layout is flexible and may be altered to suit various uses – subject to agreement with the landlord. Interested parties should discuss this with the agents.
