NOSTRAND

BROOKLYN, NY 11210

COLLABORATIVE WORKSPACES

FLOORS 4 - 7

These suites are offices that mean business. The pre-built suites at 2255 are not just functional, but unforgettable. Floor-to-ceiling windows bring in natural light and panoramic views, creating an environment where your team thrives and your clients take notice. With modern finishes and flexible layouts already in place, all that's missing is you.

Success looks good from here.
