A Hard-Corner Lease in Midtown.

1,270 SF freestanding building — directly across from the new TPD headquarters.

1881 N MLK Jr Boulevard is a 1,270 SF freestanding building on a hard corner in Midtown Tallahassee — a rare drive-thru opportunity on one of the city's busiest north-south corridors. The site sits directly across MLK from the new Tallahassee Police Department headquarters: a \$138M, 137,600 SF, 4-story regional facility under construction at the former Northwood Centre, with substantial completion expected late 2026 and TPD officer and staff occupancy in 2027 — a built-in daily breakfast, lunch and after-shift crowd within walking distance. Flexible Activity Center zoning supports drive-thru use, and the building's compact 1,270 SF footprint is right-sized for QSR, fast-casual and coffee operators ready to plant a flag in front of a brand-new civic anchor.
