EXECUTIVE SUMMARY

Two amazing opportunities in one location. Own your ideal medical suite or retail storefront on Bloor Street West, in one of the highest traffic nodes in this city where the South Kingsway meets Bloor West. While the medical units present an institutional grade asset, owned by medical professionals, the complementary retail on Bloor can service a wide array of customers and take advantage of all the traffic that a medical building provides. Experience the perfect harmony of a prime location, state-of-the-art facilities, and a thriving mixed-use community. Designed by renowned architectural firm BDP quadrangle along with the expert team at MedSpace Canada, this 35,000 square foot facility is set for success. Discover the perfect spaces to elevate your medical practice or retail business at Bijou.

KEY FEATURES

TRANSPORTATION

Our commercial condo, tailored specifically for medical professionals, offers key features designed to enhance convenience and efficiency for both practitioners and patients. Situated in a prime location, it ensures easy access and high visibility. The property includes ample parking to accommodate staff and patient needs, dedicated elevators for secure and efficient patient transport, and a specialized medical reception area designed to provide a welcoming and professional environment.

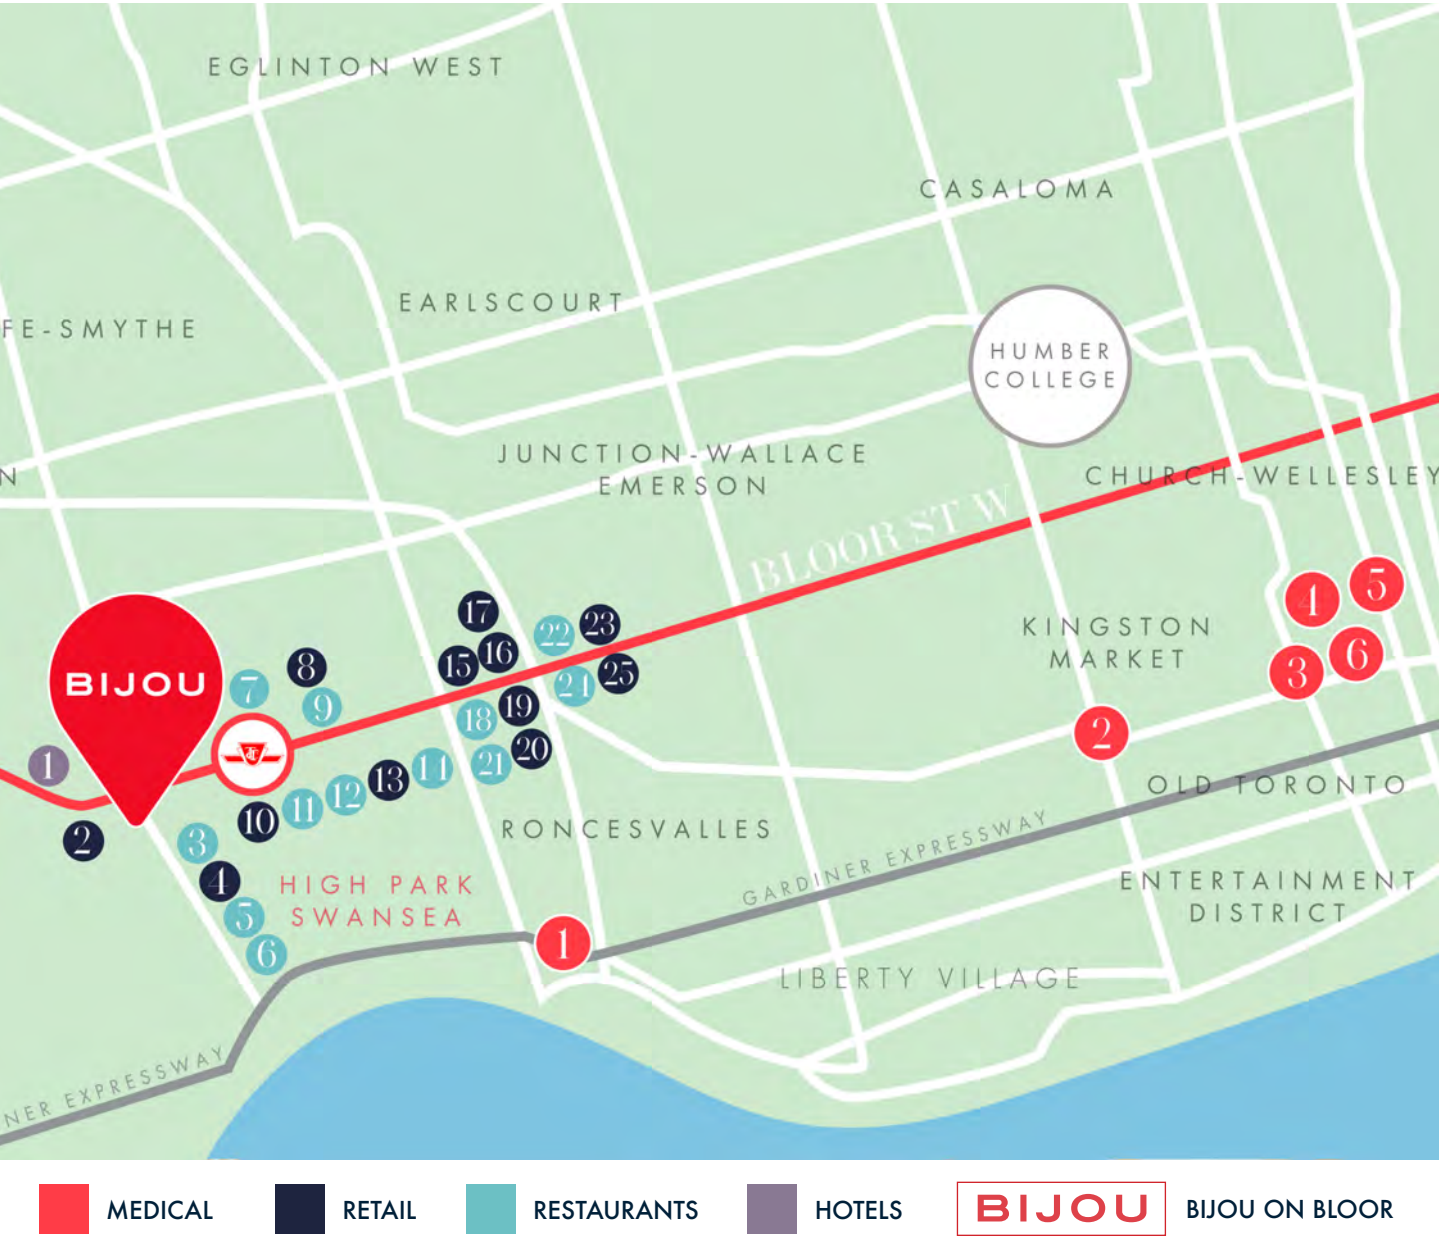

The transportation options servicing Bijou are abundant and convenient. Situated directly on the Bloor-Danforth TTC line (Line 2), Bijou enjoys easy access to the Jane subway station, a mere 180 meters away and only a 3-minute walk. Take the TTC from Bijou to Yonge & Bloor in 20 minutes or to Union Station in 27 minutes. For those who prefer buses, numerous TTC routes service the area, offering flexible travel options throughout Toronto, including areas around Etobicoke and Mississauga. Additionally, Bijou's proximity to the Gardner Expressway and Highway 427 enhances accessibility and facilitates smooth commuting for residents and visitors alike.
