Experience world-class dining without ever leaving the property. Peninsula Village offers fine dining options on-site, featuring three premier Newport Beach restaurants, Shorebird, CafsaDamí and Buona Forchetta.

Coastal flavors meet casual vibes. Shorebird is right next door, making it our go-to destination for everything from weekend brunch to dinner parties to room service.

They have something for everyone, with flavors made from scratch daily.

Buona Forchetta has opened its 7th location in the vibrant Peninsula Village of Newport Beach, bringing its signature blend of authentic Italian cuisine and warm, welcoming atmosphere. Known for hand-crafted pizzas made in traditional wood-fired ovens and fresh, high-quality ingredients, this new location continues the Buona Forchetta legacy of genuine Italian dining.

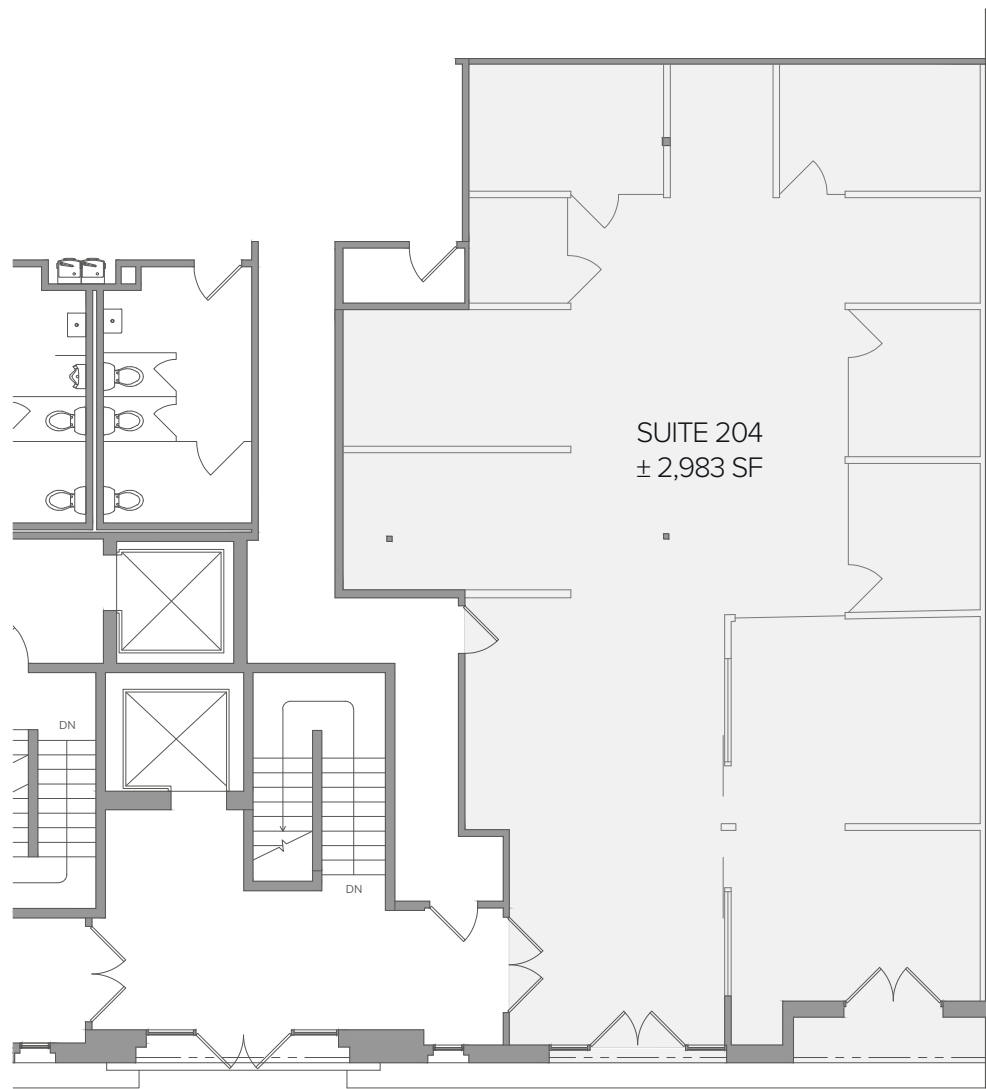

CasaDamí aims to create an environment for all those looking for an intimate and refined cafe and wine bar atmosphere inspired by the European culture of La Dolce Vita. Indulge in savory tapas, cured meats and cheeses, an array of pastries to start your mornings and handpicked wines to end your nights. Open daily, we tailor our offerings to fit your every mood so that you feel at home at CasaDamí.
